# DOWNTOWN

## *Machine Woven of Polypropylene*

Comprised of nine available designs, the Downtown options are space dyed, illustrating the abstract nature and vibrancy inspired by the artists in Soho whose livelihood helped make the area what it was known for back in the late 80's and early 90's. The downtown vibe is brilliantly captured by the individualistic blending of colors and patterns represented by this vivid assortment of rugs. Each piece is a work of art.
