ARLO

Collection

Fans of modern design will marvel at the calming colors and contemporary patterns of the Arlo Collection. Combining geometric latticework, tribal patterns, and traditional tassels with a sophisticated neutral palette of beige and gray, these rugs capture the eye without stealing the show. Flat sections are contrasted with sections of soft, medium-height pile that adds visual interest and helps the designs literally “pop” off the rug. These low-maintenance rugs are easy to clean, stain resistant, and do not shed, making them perfect for medium-traffic areas like bedrooms and living rooms.
